

# WEBSITE ACCESSIBILITY STATEMENT

I wish everyone who visits my personal homepage to feel welcome, and find the experience rewarding.

To help make my website a positive place for everyone, I've been using the **Web Content Accessibility Guidelines (WCAG) 2.1**. These guidelines explain how to make web content more accessible for people with disabilities, and user friendly for everyone.

The guidelines have three levels of accessibility (A, AA, and AAA). I've chosen **Level AA** as the target for my personal homepage.

I've worked hard on my website, and believe I've achieved my goal of Level AA accessibility. I regularly monitor the website to maintain this, but if you do find any problems - please get in touch.

If you enjoyed using my website, or if you had any trouble with any part of it, please get in touch. I'd like to hear from you by sending an email to: [tspink@inf.ed.ac.uk](mailto:tspink@inf.ed.ac.uk).

Best wishes,
